Commissioner for Patents

REQUEST FOR CONSIDERATION OF THE PETITION UNDER 37 CFR 1.47 (a)

Sir:

Kindly reconsider the rule 47 petition for reasons set forth herein.

To summarize the contents of paper No. 5, the petition is alleged to be lacking items 1) proof that the non signing inventor cannot be reached..., and 2) an acceptable... declaration... A supplemental showing is attached.

The original showing states that the declaration fails to set forth the mailing address of joint inventor Sandburg. However, this is respectfully traversed since the declaration clearly stated Sandburg's resident address, and understandably he also intended this same address as his mailing address. For

purposes of clarification, the undersigned will affirm that the mailing address for the inventor Sandburg as of his date of signing the declaration was:

5950 W. Venus Way
Chandler, AZ 85226

The patent office is thanked for doing a Lexis search. We ourselves, however, have also found various addresses for the inventor, none of which apparently work.

Attached as exhibit 1 find an email showing all alleged forwarding address for the inventor. This also included telephone numbers, and my assistant's notation that he was called on both March 23rd and on April 17 without any response. In addition, applicants attempted twice to send information to Mr. Harte. Exhibit 2 shows a copy of a first UPS document sent to Mr. Harte and returned. Exhibit 3 shows a second one sent to Mr. Hart and returned as "incorrect incomplete address". Obviously, we cannot simply mail the application to the address in a Lexis search (without knowing if the address is truly real), but we have attempted to get in touch with him by telephone and have been unsuccessful in doing so.

Accordingly, it should be apparent that the inventor either refuses to sign or cannot be reached. We have made efforts to find him. These efforts have not been successful.

A new declaration page is submitted herewith including Mr. Harte's last noted at the in Scottsdale, AZ. This should obviate all of the remaining rejections, and a notice on the merits is requested.

Please apply any other charges or credits to Deposit Account No. 06-1050.

Respectfully submitted,

Janice,

The address for Howard in GENI is somewhat strange - it's part San Jose (CA) and part AZ.
